

Discover Scuba Dive/Bubblemaker Booking Form

A Bubblemaker 8-10yrs or Discover Scuba Dive from 10yrs is advisable if you have never tried scuba before. This will introduce and familiarise you with the Scuba equipment and its functions. This will give you an insight that few people have ever experienced before, of the extraordinary sensation of breathing underwater.....We highly recommend you complete or have completed a Discover Scuba Experience and it CAN be credited towards your Open Water Diver Course.

The natural progression from this evening is to enrol onto a PADI Seal Team (min 8yr) or the PADI Open Water Diver Course (min 10yr). This will provide you with the knowledge and skills to safely visit the underwater world. The course enables you to feel comfortable and become familiar with the scuba equipment. You will develop the necessary knowledge and skills for responsible safe diving. All SCUBA equipment and tuition for the lesson is supplied by C-Life. We will confirm booking on receipt.
