Terms and Conditions

If weather or any other circumstances beyond the control of C-LIFE causes the course to be delayed, changed or cancelled, no liability can be accepted by the aforesaid party for consequential loss, damage or expense incurred. Candidates using C-LIFE equipment for any course are responsible for that equipment and will be charged for any loss or damage arising from negligent behaviour. Candidates may not participate in any diving activities without satisfactory completion of a medical statement and paid in full prior to their start date. A buoyancy control device must be worn during all water activities. C-LIFE or its employees can't be held responsible for damage, loss or injury caused by negligence or otherwise by the students. Deposits (first £100) are non-refundable and the full balance must reach the office four weeks before the course start date or the candidate will have their place cancelled. Cancellation of course more than 14 days prior to start date will be refunded minus the £100 deposit. We maintain a 14 day non-refundable cancellation policy of course fees. Deferment within 14 days of course start date will incur an extra £70 fee. No refund of fees if fail or the student decides to stop any part of a course. Candidates who miss any scheduled sessions or retake (any one 24hr period) on their course and wish to continue on a later course with and without prior arrangement will be charged £100 for each extra session. This is due to C-Life's high demand of candidates waiting for availability, costs incurred and fairness to C-Life staff and other customers. C-LIFE staff commitment - current, active, insured with CRBs and will act in a professional manner. Candidates will agree to abide by the rules of C-LIFE Ltd in all diver training matters. Student responsibilities are; fit to dive, swim 200m, float/tread water for 10min, and complete home-study pack prior to start date.
